

## **FAIRVIEW SECONDARY SCHOOL**

### **HEALTH, SECURITY AND SAFETY POLICY**

Fairview Secondary School aims to ensure, as far as is reasonably practicable, the health, safety, security and welfare of our learners, employees while at work and others who might be impacted by our undertakings. On this we maintain the motto, "Safety First".

#### **We will be committed to the following:**

- complying with relevant health and safety laws and regulations, and other requirements to which the school subscribes to.
- providing safest possible learning environment for our learners and safest possible working environment for our employees
- setting and monitoring health, safety and security objectives of the school
- effective communication of and consultation on health and safety matters throughout the school
- discourage all types of activity which harm health, safety and environment
- set periodic objective to ensure continual improvement through risk reduction / elimination
- assessing the risk to the safety and health of our learners, employees and others who may be impacted by our activities and implementing controls to minimize those risks.
- providing necessary training to all our employees to ensure their competence with respect to health and safety.
- devoting the necessary resources to ensure the health and safety of our learners and employees, and seeking expert help where necessary skills are not within the school
- an annual review and when necessary revision of this health, safety and security policy
- make this Health, Safety and Security policy available to all relevant interested external parties on request.
