# WELCOME BACK TO SCHOOL

Dear Fairview Families,

Happy New Year!

We are excited to have our learners back to school, and trust that we are all well rested, rejuvenated, and ready for an exciting new term ahead! We are back and have hit the ground running! Stepping into the halls of learning once again, it brings us immense joy to welcome every one of you back to our wonderful Fairview community where we soar high to greater heights. We have missed the energy, creativity, and enthusiasm of our learners during the break; and seeing them bounding joyfully into the classroom fills us with overwhelmed joy. And of course, we have embarked on a new chapter of growth and discovery together.

We passionately welcome you our parents, to another term of school runs, and look forward to your collaborative efforts in nurturing the bright minds we are privileged to educate. Your unwavering support is the cornerstone of our success, and we are grateful for the partnership we share in shaping the future of our students.

This term, we are excited to announce a renewed commitment to academic excellence and holistic development. Our dedicated team of educators has been hard at work, crafting innovative lesson plans and engaging activities to inspire a love for learning in every child. We are confident that this term will be marked by even greater academic achievements, sparking intellectual curiosity that will last a lifetime.

Furthermore, learning this term will be beyond the four walls of the classroom, our students' skills will be enhanced through co-curricular experience. From sports to arts, ICT to debate, this term promises a plethora of opportunities for students to explore their passions and talents beyond the classroom. We believe in the importance of a well-rounded education that goes beyond the confines of traditional academia.

We hope to keep you informed and involved every step of the way. Look forward to informative newsletters, various school events and an insightful parent-teacher conference, that will provide you with a window into your child's educational journey.

As we embark on this term together, let's not relent in fostering a sense of community, collaboration, and commitment to excellence. - As a measure to ease the traffic during pick up time, we kindly urge you our dear parents to please ensure that your children do not play at the playground after school when you come to pick them up.
- A call should be placed to the school line when you are close by for pick up, avoid children loitering at the car park.

All these will help ease the traffic during pick-up time and ensure a smooth and safe process for all.
